Thank you to John Jones

On 13th October at the Much Birch Community Café we said thanks to John Jones, following his retirement from being the Chair of Much Birch Community Hall, a post that he has held since 2001. During this time the Hall has flourished, and he has overseen extensions to the building - a new car park, solar panel installation, upgrading of the central heating system, running a village market, installing a defibrillator as well as all the week-to-week maintenance tasks. Throughout this time John has been ably assisted by Sylvia as Hall Secretary. To mark the occasion of John's retirement the committee have installed a new bench for the garden with a suitable inscription. This was unveiled on 13th October.

Parish Walk to Aconbury Church

It was lovely to have so many people turn up for the parish walk to Aconbury Church in October. On what threatened to be a wet afternoon 25 of us and 2 dogs walked through the wood to the church. We were joined at the church by more people interested in the church but who had chosen not to walk. Inside the church Alison Clarke gave a very informative talk on the history of both the church and nunnery, for which we were very grateful.

We all then returned to the village hall for tea and cake provided by Cathy Ellis-Braithwaite and Wendy Fowler which were very welcome. **Chris Fowler**

Jobs for the Garden in November

Another year of gardening is virtually over with successes and a couple of failures. Our onion crop was a disaster this year and I am not sure why, having followed all the usual practices.

Hedge cutting and clearing all the dead plant foliage is virtually done. A couple of patches that were cleared early were forked over and green manure sown on them – broadcasting both red clover and mustard.

November Suggestions

- *Plant Tulip bulbs.
 - *Raise containers off the ground to prevent water logging – use bricks, wooden batons or commercially manufactured 'feet'.
 - *Take care not to over water plants outside, in the greenhouse and indoors.
 - *Look over houseplants and move to a lighter position.
 - *Check greenhouse heaters, if used. An electric fan heater has the advantage of keeping the air moving which can help to reduce fungal disease.
 - *Bubble wrap the interior of the greenhouse at the end of this month to insulate – despite climate change we can still get some very cold nights.
 - *Reduce long, new shoots on shrub and bush roses by one third to prevent wind rock damage.
 - *Plant winter bedding.
 - *Lay new lawn turf.
 - *Earth up carrots, parsnips and beet (mini version of potatoes) if over wintering in the garden.
 - *Plant new rhubarb crowns and divisions of existing.
 - *Net sprouts, kale, cabbage and cauliflower to keep pigeons off them. Remove yellow and brown leaves.
 - *Check stored fruit, throwing out rotting items on the ground outside for the birds.
 - *Likewise, check for, and discard rotting potatoes.
 - *If you still have a few tomatoes on their vines, pick them, no matter what colour and ripen them indoors or make chutney with the green ones.
 - *Make a new strawberry patch, digging in plenty of manure or compost. Plant your own runners or mail order plants. They need the cold period of the next few months to encourage fruiting.
 - *Clean out nest boxes and rehang. Put a bit of straw or hay in the bottom of the box.
 - *Check bonfires have no hibernating wildlife in them before lighting.
 - *Leave a pile of sticks, stones or other debris here and there – it does not have to be a 'mountain' – for small creatures to hibernate.
 - *Clean bird baths and feeders and replenish.
 - *Remove fallen leaves from ponds and thin oxygenating plants. It may be advantageous to remove pump if there is one, overhaul it and store in the shed.
- Treat hard surfaces and decking to remove algae and to avoid the risk of slipping.

Red Poppies

by Revd Mark

Hi Everyone

There was a time in the 1970s when it looked like the events of Remembrance Sunday were falling out of favour. The world, to most of us, seemed a peaceful place and there was not much to be gained by dwelling on the 2nd World War, other than giving old men with a few medals a chance to relive old glories.

That all changed with the Falklands Conflict. Suddenly real war was back on our TV screens, rather than some sanitised and bloodless version from film or sitcom.

Once again, we were reminded that life in the Army, Navy and Air Force cost real people their lives and it wasn't just about training and preparing, it was about using well-honed skills to fight, to kill and, in the case of the conflict in the South Atlantic, to defeat a rather foolish move by a desperate military Junta who thought they were in for an easy victory.

Some 40 years later, as we gather on Remembrance Sunday and at other times to remember the sacrifice of our soldiers then and in other conflicts, both before and since, and the unsettling nature of war that haunts other parts of the world, it is appropriate that we should wear our poppies. They are a reminder of lives lost, of courage shown and, I hope, a prompt that war should never be a first resort but always the last one.

Much Birch Parish Council

At the Much Birch Parish Council Meeting held in Much Birch Community Hall on the 3rd October there was a discussion about planning consultation 242231 for the removal or variation of a condition following grant of planning permission 222687 (Proposed demolition of former Park Hall Ballroom and Erection of 5 dwellings and 15 timber holiday lodges, reception area and associated works) - to provide details of garages as shown on the approved layout plan and vary the design of plot 2 to show attached garage as per the layout plan. The parish council discussed the application and resolved that they had no further comments to make regarding the variation/removal of condition.

Nine tips for Safer Fireworks from RoSPA

1. Keep fireworks in a closed box and use one at a time.
2. Read and follow the instructions on each firework using a torch if necessary.
3. Light the firework at arm's length with a taper and stand well back.
4. Keep flames and cigarettes, away from fireworks.
5. Never return to a firework once it has been lit.
6. Don't put fireworks in pockets and never throw them.
7. Direct any rocket fireworks well away from spectators.
8. Never use paraffin or petrol on a bonfire.
9. Make sure the fire is out and surroundings are safe before leaving.
